Commissioner:

Prior to examination of the above-identified application please amend the application as follows:

In the Claims:

Please add new claims 12 and 13 as follows:

1. A method for scheduling and delivery of an ordered product to a buyer along the buyer's commuting route, comprising:
  - receiving route information from a buyer;
  - generating a route from the route information;
  - selecting from a plurality of pickup points a pickup point based on the route; and
  - dispatching a portable locker station to the pickup point, the portable locker station enclosing the ordered product.
